

Childcare Choice Proud sponsors of Mother@Work Awards 2007

The Mother@Work Awards is an annual event and now in its third year proving to be a roaring success. The event was held in London's City Guildhall on the 13th June 2007. Special guests at the event included Arbella Weir – Actress, Author and Presenter, Janey Lee Grace – Radio Personality, and of course working mothers.

The London City Guild Hall was at maximum capacity and buzzing with excitement!

Rebecca Hill, a working mother said;

“It's **fantastic** to see a support system for women in the workplace, especially mothers. The stories of the winners were not only **emotional** but also **inspiring**. It was also interesting to see how companies like First Direct looked after their Mothers at Work.”

A definite highlight of the awards was when Fiona Shields of Childcare Choice presented the '**Employer of the Future**' award to First Direct. Angela Parks and Naomi Finch received the award on behalf of First Direct.
